Dear Fireworks Contributor,

What a night for our 25th Annual Independence Day Celebration Fireworks! The weather was perfect, our entertainment did not disappoint, and the Fireworks were Spectacular, the best we ever had said people as they were leaving. The Hamden Volunteer Firefighters Fireworks Committee would like to thank you for your generous donation of one hundred dollars, to help make this event a success. This event is one of the largest attended in our Town each year, and one of the best Fireworks shows in the area.

Town Center Park once again this year had people beginning to put out chairs and blankets very early. Although a hot sunny day, our committee and the Town worked tirelessly to prepare the park for this event. Everyone enjoyed the entertainment, DJBry had people out dancing and the Hamden Symphony played a variety of selections. The Fireworks show went off, and what a display it was! International Fireworks Company provided us with a fantastic 25th anniversary display, all made possible by your donation and support.

Thank you again for helping us reach 25 years of Fireworks.

Sincerely,

Karl Olson
